Prepared expressly to withstand the climatic conditions of the Islands—is unequalled for protective and wearing properties.

We recommend it especially

for mills

The paint spreads easily and dries with a good gloss, thus increasing its durability. For a good, economical, durable and preservative paint there is none better. In five shades.

## COLORADO BOOSTER, BURHANS, HERE AS GUEST OF PAN-PACIFIC CLUB

Live-Wire Promotionist Believes in Cooperation to Get Results

Harry N. Burhans, booster for Denver, the state of Colorado and the United States, and one of the liveliest wires in promotion work of the West, arrived in Honolulu today as the guest of the Pan-Pacific Club and as a guest also with the congressional party.

Burhans is secretary of the Western Tourist Association and has wide experience in community upbuilding. This publicity expert declares that Hawaii has achieved tremendous fame on the mainland.

"Every man in the United States with any romance in his nature is 'sold' to Hawaii," he says. "The next thing is to get him there. And that holds good for the women. 'Some day I'm going to Hawaii' is a famous saying throughout the mainland. It is up to the people of Honolulu to say when, and if all the people of Honolulu are like those I have met, you may rest assured that before long your tourist crop will rival that of your sugar."

Burhans believes in cooperation and declares that what helps Denver helps Colorado, and vice versa. It is said of the Denverite that he has trained every car conductor coming through Denver to talk "stop over"; he has a night class for policemen so that they are actually taught how to direct tourists, and the city backs him in this. The first three cops in each direction from the depot stop everyone who looks like a stranger and tell him that he has 40 minutes in town and can get to the park and back in 30 minutes, and the streetcar conductor has been to Burhans's school (the street railway company backs him), and tells the stranger just what to see.

Burhans abolished the other Colorado tourist bureaus in Denver, made them all in their home towns his agencies, and began a "See All Colorado" campaign that has made one tourist association in the state, and he is making one big body of the West. Should he enter the Pan-Pacific work, as he will with backing of Washington, carry on a great international campaign to bring trade and the traveller to the Pacific, it is expected.

## 'DRY' LEADER TO GET HAWAII DATA FOR LIQUOR WAR

Rev. E. C. Dinwiddie Intends to Push Prohibition Issue for Islands Next Congress

Explaining that he has come to the islands to study local conditions so as to make an effective fight for prohibition for Hawaii at the next session of congress, Dr. Edwin C. Dinwiddie, superintendent of the legislative department of the National Anti-Saloon League, arrived in Honolulu this morning on the Matsunaka.

Dr. Dinwiddie was met aboard the steamer by George W. Paty, secretary of the Hawaii Anti-Saloon League. "Yes, that is my aspiration," Dr. Dinwiddie replied, when questioned if he came to the islands to acquire knowledge of local conditions. "I may stay a week or longer," he added.

Pressed for information as to whether the fight in congress was to be made just for legislation for the islands, he said: "No, it will be in line with the general prohibition plans."

Dr. Dinwiddie has been head of the legislative department of the National Anti-Saloon League for 17 years and is considered a forceful fighter for national prohibition.

He addressed the Honolulu Ad Club at noon today and this evening he has been asked to speak at the Educational Council in the Central Union Parish house. At the request of the Rotary Club he will deliver an address at the Commercial Club luncheon tomorrow noon, and in the evening will be entertained by the Anti-Saloon League at the home of Rev. L. L. Looftbourrow. He is to occupy the pulpit at the Central Union church on Sunday morning and will deliver a sermon at the Christian church the same evening.

In addition to his connection with the National Anti-Saloon League, his personal card gives his other affiliations as follows: National Inter-Church Federation, National Grand Lodge of Good Templars, Independent Order of Rechabites, and corresponding National Temperance Society.

## TENYO FLOATED OFF ROCKS TODAY

(Special Cable to Nippon Jiji)  
TOKIO, Japan, Nov. 7.—The Toyo Kisen Kaisha's liner, Tenyo Maru, which ran aground in Tokyo bay, near Yokohama, Sunday, is expected to be floated off the rocks during high tide this noon.

Divers were sent down yesterday to examine the extent of the damage to the stranded turbine. They reported the damage slight.

Miss Tsuneko Watanabe, one of the leaders of women's reform movement in Japan, was one of the passengers on board the ill-fated Tenyo Maru when she struck the rocks. Miss Watanabe decided to take the next steamer to the United States, en route to Washington, to represent Japan in the coming women's reform meeting, which is to meet shortly in the American capital.
